

FERNGROVE WINE CO

GRAFTED  BY HAND

It all started with us wanting to break away and do something special of our own, something different... like the secession referendum of 1933 that proposed Western Australia withdraw from the Australian Federation.

With our experience and knowledge of Western Australia's wine regions, we wanted to make a range of wines like no other, wines that proudly show the best of the pristine and cool climate Great Southern.

In going our own way, we focused on wines that our friends and family love to drink. We wanted to create something with intriguing flavours and a rich, smooth finish. Crafted by hand and fiercely independent.

KEY POINTS

Growing Region:	100% Estate grown fruit from our Frankland River vineyard in the Great Southern.
Vintage 2020 Notes:	Vintage 2020 will be remembered as the earliest harvest on record with great fruit quality. The growing season started warm and very dry. Spring rainfall was also below average and our soils were quite dry as the vines came out of dormancy and watering commenced earlier than normal. These dry conditions kept disease pressure low which was a positive, but also led to lower vine vigour compared to other years. The favourable weather for the remainder of the ripening period meant we had an "early" vintage.
Winemaking Notes:	Selected parcels of estate Pinot Noir were harvested in the cool, early morning and immediately crushed and destemmed to press whilst must chilling. The juice was then quickly separated from the skins to minimise colour and phenolic pick up. Minimal fining was undertaken and the juice clarified. A cool fermentation in stainless steel tanks followed to capture the fresh Pinot Noir fruit characters.
