VINIFICATION	Our winemaking team visit the vineyard regularly as the fruit nears harvest to ensure we pick at the perfect balance of flavour, sweetness and acidity. A portion of the fruit was hand harvested and transferred to our small open fermenters as whole bunches. The fermenter was then topped up with fruit that was harvested and gently destemmed. The ferment receives regular pump overs and 'rack and returns' to ensure an even temperature and desirable level of colour and tannin extraction. The 2019 Dragon Shiraz is left on skins for 21 days. Daily tastings of the ferment ensures the wine develops perfectly. The wine is matured in French oak, barrels and staves, for approx. 13 months.
CELLARING	Cellar for up to 8 years.
SERVE	Serve at room temperature 18C.
FOOD	Serve with flame grilled Wagyu beef drizzled in black pepper sauce with a side of green beans and mashed potato.
