

FERNGROVE WINE CO

CRAFTED  BY HAND

It all started with us wanting to break away and do something special of our own, something different... like the secession referendum of 1933 that proposed Western Australia withdraw from the Australian Federation.

With our experience and knowledge of Western Australia's wine regions, we wanted to make a range of wines like no other, wines that proudly show the best of Western Australia.

In going our own way, we focused on wines that our friends and family love to drink. We wanted to create something with intriguing flavours and a rich, smooth finish. Crafted by hand and fiercely independent.

Once fermentation was complete, the wine was transferred into 4 and 5 year old French oak barrels for 9 months. |
